

# 5<sup>th</sup> Hungarian Fiat 126 Meeting

**24-26 July, 2009.**

Lake Velencei

Club126 Hungary will organize its meeting again in the end of July, 2009 at the shore of Lake Velencei. Probably this will be the biggest Maluch event of the year in Europe. We count on approximately 100 cars and everyone can find some suitable among the programs. If you would like to participate in the biggest fun of the year, you have to be there. Three days of Fiat 126, the refreshing water of the lake Velencei and in the evenings a party is waiting for you in the camp site.
